access to the Licensed Materials is granted under this Agreement including, in particular, any limitations on access or use of the Licensed Materials as set forth in this Agreement.

Protection from Unauthorized Use. Licensee shall implement reasonable procedures to restrict access to the Licensed Materials to Authorized Users. The Licensee is responsible for establishing and maintaining hardware and Internet access to provide access to, and to transmit, the Database to Authorized Users.

VII. MUTUAL PERFORMANCE OBLIGATIONS

Cure Activities. In the event of any unauthorized use of the Licensed Materials by an Authorized User, Licensee shall cooperate with Licensor in the investigation of any unauthorized use of the Licensed Materials of which it is made aware and shall use reasonable efforts to remedy such unauthorized use and prevent its recurrence. Licensor may terminate such Authorized User's access to the Licensed Materials after first providing reasonable notice to Licensee (in no event less than two (2) weeks) and cooperating with the Licensee to avoid recurrence of any unauthorized use.

Confidentiality of User Data. Licensor agrees to maintain the confidentiality of any data relating to the usage of the Licensed Materials by Licensee and its Authorized Users. Licensee agrees to maintain the confidentiality of any data relating to the usage of the Licensed Materials by individual Authorized Users. Such data may be used solely for purposes directly related to the Licensed Materials and may only be provided to third parties in aggregate form. Raw usage data, including but not limited to information relating to the identity of specific users and/or uses, shall not be provided to any third party. Licensor may terminate such Authorized User's access to the Licensed Materials immediately through the blocking of a specific IP address if Licensor detects excessive downloading activities. Licensor will notify Licensee of this action within two business days. Access will be reinstated after Licensee takes appropriate steps to resolve the issue.

Licensor shall indemnify and hold licensee harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any claim by a third party of an alleged infringement of copyright arising out of the use of the Licensed Materials by Licensee or any Authorized User. No Limitation of liability set forth elsewhere in this agreement is applicable to this indemnification.

Should Licensee wish to invoke the indemnity, Licensee must promptly notify Licensor of any such claims. Licensor shall have the right to defend such claims at its own expense. X. EARLY TERMINATION

In the event that either party believes that the other materially has breached any obligations under this Agreement, or if Licensor believes that Licensee has exceeded the scope of the License, such party shall so notify the breaching party in writing. The breaching party shall have thirty (30) days from the receipt of notice to cure the alleged breach and to notify the non-breaching party in writing that cure has been effected. If the breach is not cured within the thirty (30) day period, the non-breaching party shall have the right to terminate the Agreement without further notice.

Upon Termination of this Agreement for cause, online access to the Licensed Materials by Licensee and Authorized Users and all licenses granted hereunder shall be terminated. Authorized copies of Licensed Materials may be retained by Licensee or Authorized Users and used subject to the terms of this Agreement.

In the event of early termination permitted by this Agreement, Licensor shall not have any obligation to refund any monies to Licensee.

Termination of this Agreement (however rising) shall be without prejudice to the rights of either party against the other arising or accrued prior to the date of termination and without prejudice to the rights of either party against the other under sections of this Agreement that shall survive termination.

Permanent Access Only

XI. PERMANENT ACCESS LICENSE

Licensor warrants that all licenses and addenda shall remain in effect in perpetuity from the Effective Date as long as the required annual maintenance fee is paid on time. A single maintenance fee is assessed annually to sustain permanent access. Changes may be made to the license agreements and addenda, but only with mutual consent and nothing shall change the Effective Date or perpetuity.

Licensor hereby grants to Licensee a nonexclusive, royalty-free, perpetual license to use any Licensed Materials that were accessible during the term of this Agreement. Such use shall be in accordance with the provisions of this Agreement, which provisions shall survive any termination of this Agreement. Except in the case of termination for cause, Licensor shall provide the Licensee with access to the Licensed Materials in a manner and form substantially equivalent to the means by which access is provided under this Agreement.

If Licensor terminates the agreement in the event Licensee fails to perform its obligations, Licensor will not be required to provide an archival copy of the database to the Licensee.

Licensee has perpetual and irrevocable access rights for all titles purchased for as long as all fees are current. At Licensee's request, Licensor will provide a digital copy of purchased files, for a minimal fee, for storage in a Digital Repository only and which Licensee may copy as reasonably necessary to preserve, maintain, update, manage or keep technologically current the contents in the Digital Repository.

Licensee has the right to perform various indexing, searching, and data mining processes on the digital copy, including provision of graphic interfaces to the texts based on such processes. All such processes are solely for the teaching, learning, and research purposes at Licensee's institution for Authorized Users only.

To the extent Licensor no longer provides access to the contents purchased, Licensee may permit its authorized users access to its digital copy and allow them to make uses permitted under this agreement.

XII. WARRANTIES

Subject to the Limitations set forth elsewhere in this Agreement:

Licensor warrants that it has the right to license the rights granted under this Agreement to use Licensed Materials, that it has obtained any and all necessary permissions from third parties to license the Licensed Materials, and that use of the Licensed Materials by Authorized Users in accordance with the terms of this Agreement shall not infringe the copyright of any third party. The Licensor shall indemnify and hold Licensee and Authorized Users harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any claim by any third party of an alleged infringement of copyright or any other property right arising out of the use of the Licensed Materials by the Licensee or any Authorized User in accordance with the terms of this Agreement. This indemnity shall survive the termination of this agreement. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION.

XIII. LIMITATIONS ON WARRANTIES

Notwithstanding anything else in this Agreement:

Neither party shall be liable for any indirect, special, incidental, punitive or consequential damages, including but not limited to loss of data, business interruption, or loss of profits, arising out of the use of or the inability to use the Licensed Materials.

Licensor makes no representation or warranty, and expressly disclaims any liability with respect to the content of any Licensed Materials, including but not limited to errors or omissions contained therein, libel, infringement of rights of publicity, privacy, trademark rights, moral rights, or the disclosure of confidential information.

Except for the express warranties stated herein, the Licensed Materials are provided on an "as is" basis, and Licensor disclaims any and all other warranties, conditions, or representations (express, implied, oral or written), relating to the Licensed Materials or any part thereof, including, without limitation, any and all implied warranties of quality, performance, merchantability or fitness for a particular purpose. Licensor makes no warranties respecting any harm that may be caused by the transmission of a computer virus, worm, time bomb, logic bomb or other such computer program. Licensor further expressly disclaims any warranty or representation to Authorized Users, or to any third party.

XIV. FORCE MAJEURE

Neither party shall be liable in damages or have the right to terminate this Agreement for any delay or default in performing hereunder if such delay or default is caused by conditions beyond its control including, but not limited to Acts of God, Government restrictions (including the denial or cancellation of any export or other necessary license), wars, insurrections and/or any other cause beyond the reasonable control of the party whose performance is affected.

XV. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter hereof, whether oral or written. In the event Licensee issues a purchase order or other document, Licensee agrees that the document shall be for its internal purposes only and shall in no way modify or affect any of the terms or conditions of this Agreement.

XVI. AMENDMENT

No modification or claimed waiver of any provision of this Agreement shall be valid except by written amendment signed by authorized representatives of Licensor and Licensee.

XVII. SEVERABILITY

If any provision or provisions of this Agreement shall be held to be invalid, illegal, unenforceable or in conflict with the law of any jurisdiction, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

XVIII. WAIVER OF CONTRACTUAL RIGHT

Waiver of any provision herein shall not be deemed a waiver of any other provision herein, nor shall waiver of any breach of this Agreement be construed as a continuing waiver of other breaches of the same or other provisions of this Agreement.

This Agreement shall be governed by, and construed and interpreted in accordance with the laws of Pennsylvania.

IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.
